

GREENBROOK TMS ANNOUNCES EXPANSION INTO HOUSTON TEXAS

October 31, 2018 – Toronto, ON – Greenbrook TMS Inc. (TSX: GTMS) (“**Greenbrook**” or the “**Company**”), a leading provider of Transcranial Magnetic Stimulation (“**TMS**”) therapy in the United States for the treatment of Major Depressive Disorder (“**MDD**”), is pleased to announce the expansion of its TMS Center network into the Greater Houston region. As part of Greenbrook’s continued expansion into the State of Texas, the Company will begin operating a TMS Center in Sugar Land, Texas under the clinical leadership of Dr. Kimberly Cress, a current member of the Board of Directors of the Clinical TMS Society, and a leader in the field of TMS and neuromodulation.

Greenbrook expects to open additional TMS Centers in the Greater Houston area as part of its regional development strategy.

“I am thrilled for this opportunity to join Greenbrook TMS as they continue their expansion in Texas. As an experienced TMS provider since 2010, I look forward to working with Greenbrook, its physician partners and staff to continue to increase awareness of TMS and to provide more individuals with access to this potentially life changing therapy”, said Dr. Cress. Dr. Cress will serve as a Regional Medical Director of the Company.

About Greenbrook TMS Inc.

Operating through 48 Company-operated treatment centers, Greenbrook is a leading provider of TMS, an FDA-cleared, non-invasive therapy for the treatment of MDD, in the United States. TMS therapy provides local electromagnetic stimulation to specific brain regions known to be directly associated with mood regulation. Greenbrook has provided more than 160,000 TMS treatments to over 4,500 patients struggling with depression.

Forward-Looking Information

Certain information in this press release, including with respect to the opening of additional TMS Centers in the Greater Houston area, constitutes forward-looking information. In some cases, but not necessarily in all cases, forward-looking information can be identified by the use of forward-looking terminology such as “plans”, “targets”, “expects” or “does not expect”, “is expected”, “an opportunity exists”, “is positioned”, “estimates”, “intends”, “assumes”, “anticipates” or “does not anticipate” or “believes”, or variations of such words and phrases or state that certain actions, events or results “may”, “could”, “would”, “might”, “will” or “will be taken”, “occur” or “be achieved”. In addition, any statements that refer to expectations, projections or other characterizations of future events or circumstances contain forward-looking information. Statements containing forward-looking information are not historical facts but instead represent management’s expectations, estimates and projections regarding future events.

Forward-looking information is necessarily based on a number of opinions, assumptions and estimates that, while considered reasonable by the Company as of the date of this press release, are subject to known and unknown risks, uncertainties, assumptions and other factors that may cause the actual results, level of activity, performance or achievements to be materially different from those expressed or implied by such forward-looking information, including but not limited to the factors described in greater detail in the “Risk Factors” section of the Prospectus available at www.sedar.com. These factors are not intended to represent a complete list of the factors that could affect the Company; however, these factors should be considered carefully. There can be no assurance that such estimates and assumptions will prove to be correct. The forward-looking statements contained in this press release are made as of the date of this press release, and the Company expressly disclaims any obligation to update or alter statements containing any forward-

looking information, or the factors or assumptions underlying them, whether as a result of new information, future events or otherwise, except as required by law.
